

# Ability to filter the customer's label when creating Offer and Offergift:

By adding this development you can filter specific types of customers by choosing customer label when creating offer and offergift, and apply offer and offergift for this particular category.

1. From the main menu select Offer

As you can see in the below picture customer label is added.

Customer Label is added to the form.

2. select the Offer gift from the main menu. then click on offer gift.

تعداد	واحد	کالا	برچسب	قیمت
4	393360K2101	گوشی وی 10	آفر با برچسب	25
3	393360K2107	گوشی ال جی جی 5	آفر جدید	24
3	393360K2105	گوشی گلکسی اس 6	آفر جدید	23

3. Customer label is also could be seen in the create Offer gift page.
