The screenshot shows the 'Safar-e Feroosh' software interface. The main window displays a table of transactions with columns for date, time, location, customer, product, and amount. A sidebar on the right contains a list of functions like 'New Customer', 'New Product', 'New Transaction', etc. The bottom status bar shows the user is 'administrator' and the time is 1397/06/14 at 4:45 AM.
